**JUNE 2009 NEWSLETTER**

Dear Friends in Christ,

We thank the Lord for His faithfulness and goodness to us and pray that each of you are likewise enjoying His many blessings!

## Family News by Rachel

We got back to the states a week before **Elisabeth's graduation** from PCC. It was a joy to see her march and receive her diploma. We are certainly proud of her. We thank the Lord for His guidance in her life. Now we have two more to go. **Andrew** will be a second sem sophomore while **Joseph** will be a junior this coming fall at PCC.

The Lord provided a job for each of our children during the summer here in Tallahassee. What a blessing and an answer to prayer! We get to be a "**complete family**" again for a few months after many years of not being together. It has been a joy for me to serve them, just like when they were younger.

Elisabeth is busy with planning for her **wedding day**, October 10th. I am glad that Phil and I are here to be part of the excitement in planning. We have seen the Lord's provision for this special occasion for our family.

The Lord gave us a **vehicle** to use while we are here on furlough. Thank you to all of you who have prayed for us regarding this matter. The Lord truly is always good and faithful to His children. Please pray for our health as a family.

## Ministry Updates

What a blessing to see some of our church family **bearing fruit!** Not only by the development of Christlike character but in bringing others to a knowledge of Jesus Christ as the Lord and Savior! We thank the Lord for several adults who have come to Christ over the last few months of 2009. Their desire to worship on the Lord's Day, their hunger to know God's Word, and their desire to witness to others all give obvious proof of their new relationship with the Lord. We look forward to seeing them baptized later this year.

We had a great **VBS** with around **150 kids graduating** at the end of the week. We also had around 30 of the older ones camp overnite all week for our Jr. Camp. They thoroughly enjoyed all the games that were prepared for them as well as the meals and the messages each evening. Our staff and church family did a great job making the whole week run smoothly. You can see pictures at our ministry website. 

We had 4 more of our young adults **graduate from Bible college** this past April and May. The 3 young ladies will be helping in our ministry for now and the young man will be assisting another of our staff men to start a mission work. Pray for this endeavor.

While we are on this short furlough 3 of our staff men who were saved and disciplined under our ministry are

handling the **preaching schedule**. What a blessing to know things are being handled well while we are away.

While here in the states (til November) we are more than **willing to come and report** to any of our supporting churches if you so desire. We will also be helping some churches with their VBS this summer.

## Opportunities to Help

1. **Staff Housing** - We have finished the flooring but are still in need of a ceiling to help with the heat. It will take \$600 to finish this project.
2. **Bible College Sponsor** - We have 3 more of our church family starting Bible college this June in addition to the one who is a senior this year. Each student requires about \$600 yearly for room, board, and tuition. Would you consider helping in part or whole for this worthy cause of training these young people?
3. **Church Property** - We are thankful for those who have given towards this. The price of the land is \$102,000 and we have about \$20,000 so far.

## Prayer Requests

- \* The **spiritual growth** of our church family.
- \* **Boldness** to witness as we should.
- \* More young men to **surrender to the ministry**.
- \* Bro. Ronnie Bato and family (from our ministry) starting a **mission work** in Isabela.

We want to **thank each of you** for your part in our ministry for the Lord. May He alone be honored for all that is accomplished through our efforts and may He bless your faithfulness and generosity to His worthy cause!

Serving in His Fields,  
*Phil & Rachel*
