WHAT IS INDUCTIVE STUDY?

Have you ever studied the Bible inductively? Observation, Interpretation, Application. Precept's method uses an investigative approach that takes each person to the text directly.

MATURE HIGH SCHOOL THROUGH MOM

DANIEL I - Living out a Biblical World View

Class Book: \$19.00

Book order Deadline Feb. 7th

Teacher—Christina Rivera

Threatened with death, Daniel stuck to his guns and refused to adopt a pagan lifestyle. His worldview had God at the center and he lived it out even under extreme pressure to change. In this study you will learn to adopt a Biblical worldview and adhere to it even if it's not the norm.

Bible study is hard to do when you and your children are studying different subjects and have different homework. This is a class that you and your high school and college student can take together. This makes it viable to be in an accountability group for you and for your young adult.

MATURE HIGH SCHOOL THROUGH MOM

DANIEL II- Gaining Understanding of the Time of the End

Class Book: \$19.00

Book order Deadline March 30th

Teacher—Christina Rivera

Does the turmoil of our times, the uprisings and spiritual decay of many have to do with the book of Daniel? Daniel was a man who knew what God had to say about the end times. He focused on what God said, not on the events of his own time. He had impact on the people that God placed in his life.

How do you live as a Daniel in the crucial days in which you find yourself? How can you dare to be different? How do you get to know God Most High? The book of Daniel has the answers.

TEACHERS—Continuing Education Credit can be awarded for both Precept upon Precept courses.

Registration forms can be found in the church lobby, or can be downloaded off the church website and turned in at the church office. Go to www.similighthouse.org
